## ANTI-VICE FIGHT

### READY NOW TO GO TO LEGISLATURE

### Chamber of Commerce Committee Approves Abatement By Injunction Bill

Completing its proposed bill to abate commercialized vice, along the lines of the Iowa "abatement by injunction" law, the Chamber of Commerce special vice inquiry committee this morning carried further its program of legislation. The bill will be introduced at the coming session of the legislature.

The committee also decided to hold a public meeting on Sunday night, March 4, probably at the Opera House. Exact time and place will be announced later. This meeting is to carry out the idea of massing public sentiment behind the vice abatement legislation.

Supervisor Robert Horner, who has opposed the majority of the committee in handling the vice questions, was not present at this morning's meeting. Chairman Stanley presided. Attorney Stanley drafted the bill approved today, which is felt to be effective if applied here.

The main basis of the bill is the authority to secure court injunctions against the use of premises where commercialized vice has been allowed to operate. This gets at the "vice landlords" and many states have found the method remarkably effective.

## STOCK MARKET

### FEATURELESS

Business of the stock exchange fell off materially today. Perhaps it is the Carnival and the general holiday spirit that accounts for it, but the fact is there that against the heavy dealings of Saturday the sales today were only 320 shares of listed securities—665 between boards and 155 at the session. It was a featureless market as well except for a decline in McBryde. Sales and prices were Olaa 15 1/2, Wailua 31 1/2, Oahu 29 3/4 and 29 1/2, Ewa 32 5/8, Hawaiian Commercial, 49, McBryde 11 3/4 and 10 1/2 and Pineapples 41.

Of the unlisted shares Mountain King advanced 3 cents to 20 and Engels Copper was 7 1/4. Oil weakened from \$2.75 to \$2.50. Others were unchanged.

The Blue Funnel liner Polyphemus entered port Sunday morning for bunkers and left again for Vladivostok and Yokohama about 3 o'clock in the afternoon. Her master, Capt. Arrowsmith, reports the British navy to be catching German submarines regularly. The Polyphemus is from New York and has 5000 tons of general cargo from the Orient. She arrived off port from Balboa Saturday evening too late to enter.

## "The Battle Cry of Peace"

AT BIJOU Theater on February 22 will be shown the most noteworthy achievement in the history of motion pictures. But "THE BATTLE CRY OF PEACE" is more than a motion picture. It is a great national propaganda dealing with the most important problem that has confronted this nation since the Civil War—the problem of America's unpreparedness.

If you have a drop of red blood in your veins, you will experience in witnessing this production a thrill such as you have never known before.

You will see the enemy approaching, the powerlessness of New York, the weakness of its forts and defenses. You will see the havoc wrought by the enemy's howitzers, submarines and airships; by its shells, shrapnels and bombs.

You will see the most beautiful sky line in the world in flames, the metropolis of the western hemisphere devastated.

You will see New York fall and the desecration that follows.

"THE BATTLE CRY OF PEACE" is a call to arms against war.

It was written by J. Stuart Blackton and vitagraphed under his personal supervision. Scores of prominent Americans in the army and navy and administrative circles have contributed to its preparation.

MR. CHARLES RICHMAN, the distinguished actor, heads a cast of eminent Vitagraph stars—a cast containing twenty-five thousand National Guardsmen, five thousand horses, eight thousand supernumeraries.
